

## Fabricated Steel Parts & Sub Assemblies sourced at best cost from India

In co-operation mit SpektraTek, Pune, India

### BENEFITS

- Custom made according customer drawings
- Sourcing at best cost
- Superior quality
- Shortes lead times
- Reliable and strong supply source
  - 360 employees in 2 shifts
  - International quality standard

### INHOUSE OPERATIONS

- Engineering & Design (CAD/CAM)
  - CNC Cutting M/C
  - CNC Plasma Cutting M/C
  - Bevelling
  - Rolling
  - Pressing
  - Drilling
  - Straightning
  - Welding
  - Surfacing (blasting, painting)
- ⇒ Total Production output in 2017: 15.000 Metric Tons

### Q - CERTIFICATIONS

- ISO 9001:2008 & ISO 3834
- EN1090 – 02 EXC3 (Final audit completed)
